

Miguel Angel Oldenburg

Computer & IT

“

I'm a system engineer living in beautiful island in The Caribbean Sea called **Margarita**. Passionate about my work, motivated and hard working person. I'm a native Spanish speaker, fluent in English and currently learning French.

Accomplished software developer experienced in designing and developing complex web applications and mobile hybrid apps (Full Stack). I have a comprehensive knowledge of programming languages such as PHP (laravel | zend) and JavaScript.
